Title: Assistant Manager / Associate – Risk Services

Job Role & Requirements:

- Manage end-to-end project implementation lifecycle for risk services.
- Manage and coordinate with all stakeholders including internal teams, vendors, member banks, SBP.
- Manage the tracker and resolve all issues, requirements, and updates related to risk-related products.
- Document, circulate, and maintain policies, processes, and SOPs for FRMS and other services.
- Plan and recommend new initiatives, updates, and requirements for improvement in FRMS to meet industry dynamics, aligned with budgets and resources.
- Analyze fraud trends, identify opportunities, and track solutions through data collection and analysis.
- Perform Rule Management/Rules Book (i.e., Requirement gathering, research, analysis, development, testing, and implementation of rules).
- Identify, create, and pitch business solutions to solve a wide range of fraud & risk problems related to the card industry.
- Provide 1st level functional support to member banks for FRMS and coordinate with vendors (local & international) for 2nd level support.
- Interact with key departments of member banks and 3rd parties for fraud risk queries.
- Involve in ideation, development, implementation, and corporate sales of the industry-level initiatives.
